EXPERIENCE

GOOGLE DEVELOPER STUDENT CLUB
Web and App Development Lead (Badge)
Aug 2023 - Present

- As a lead for Web and App development at GDSC SJIT, I am involved in Open-sourcing, exploring connections and opportunities, all while sharing knowledge with my fellow students

- During our campaign, the club had a vast growth of peers, in a short span

PROJECTS

GRACE ELECTRIC VEHICLES WEBSITE
Built a website (Live) for Grace EVs, an electric vehicle dealership in TamilNadu

- TECH STACK: HTML, CSS and JavaScript

- Leveraged GitHub and Github pages for CI/CD and Netlify for final deployment

- It has helped my client to enlarge his business and attract more customers
